On show will be a road movie originally created whilst being in L.A. at the renowned Schindler Residency in 2008. The road movie presents video footage taken in L.A. and the surrounding neighbourhood and combines it with graphic elements that were edited in filmic post-production procedure.

The light sculpture installation MOTEL, 2010 has been realised especially for the exhibition at the para_SITE Gallery and could be realised with financial support by the City of Graz, the County of Styria and the BMUKK as well as support by Bostjan Grmek who produced the light boxes for us.

We would like to thank all of them for realising this installation and therewith this stunning exhibition.

For the light sculpture MOTEL hand-made drawings from backsides of billboards and advertisement boards around Graz were photographed by Roswitha Schuller and Marksu Hanakam which we also documented for our next para_SITE TV artist portrait on the artist duo Hanakam-Schuller.

For the opening we will serve drinks and snacks and music will be provided by our Djenny Adriana Celentana aka Katharina Wiesler.

Looking forward to seeing you all there for the opening, Roswitha Schuller, Markus Hanakam, Daniela Haberz, Leszek Barszczewski, Iris Uranitsch, Erika Haberz and Djenny Adriana Celentana

With friendly support by BMUKK, Stadt Graz, Land Steiermark, Stadt Graz Wirtschaft Media co-operation with Falter Stadtzeitung

With special thanks to beo for the light box production, Glas Sajko, KMKG Studio, designer.innen.
